Dear Dr. Posvar:

I was very pleased to learn that you hosted an informed and candid exchange between senior officers of your University and the members of the Agency's Executive Development Seminar. The future of the Agency is on today's university campuses, and I believe that it is essential that our senior officers have a clear understanding of the concerns of faculty, administration, and students. Please accept my sincere thanks for your support and participation and, additionally, for the fine luncheon. I only regret that I was not there to share in the exchange of ideas and fine food.

Sincerely,

WILLIAM J. CASEY
